VOLUME 42
NUMBER 1

From the PRESIDENT...

Hello fellow campers,

I am excited to serve as President of the Good Sam Club. I enjoy our get togethers in Lynden and Cashmere especially because it's a time we get to see our friends we only see twice a year. And I just like being in my RV. It is my happy place!

Camping is in my blood. My family has camped for as long as I remember. My parents were members of a Good Sam chapter for over 20 years, then my husband and I joined to give us an opportunity to get out in the RV at least once a month. Since we were still working full time, it gave us a chance to get away, to enjoy each other's company and visit with friends.

A little about me, I've been a Registered nurse for 50 years!! I still work a little because I love it. I am a mom, a grandmother and a great grandmother. My family is very important to me, and I love spending time with them.

As the President for the next two years, I don't plan on making any huge changes to the way our outings are done unless someone has any suggestions. I'm excited to work with the state team. A very capable and committed group of people who volunteer their time and energy to make sure everything runs smoothly for our get-togethers and for your chapters.

It is with great sadness that I announce that Bill Brown, our Webmaster, passed away on January 29. He had been very ill and wasn't able to continue keeping the website current. With Bill's loss, I do have a plea. We need a webmaster. Does anyone have that skill set and interest to help? Please? Our website is an important way to attract new members and provide communication throughout our club.

If you are interested in helping us out or for any of the other VACANT roles, my contact information is on Page 2.

VACANT

S. CENTRAL WASHINGTON

VACANT

I'm sure you've heard the phrase "All good things must come to an end". That is how I feel about being the representative of Dogs for Better Lives. I have really enjoyed doing it for the past several years. Unfortunately, it has gotten much harder to travel because of age and medical issues. It's time for someone new to take over. It doesn't require a lot of time. The table needs to be set up at the rallies with the pamphlets and goodies that DBFL supplies.

You can spend as much or as little time as you want, sitting behind the table talking to people and answering questions. Donations are collected at the rallies and sent down to their headquarters in Oregon. DFBL is such a wonderful charity and the people I have talked to have been helpful and very nice to deal with.

Another perk of being the representative is that you become a member of the state team. Being involved makes it more fun. I plan on coming to the Lynden Rally to transfer the items and information I have to the new volunteer. So, give it some thought. I'm happy to answer any questions.

I am looking forward to getting on the road again with all our RV friends. I hope all of you are planning to take some great trips in this upcoming RV season.

If anyone is interested in having a Fisher House tour, please contact me and I will get together with you to plan it.

Fisher House really appreciates all your donations which help service families in their time of need. I hope to see all of you at the spring State Rally in Lynden.

Can you believe the weather outside, good camping weather. I hope you are able to get some camping in while the sun is shining as I'm sure we will be getting more rain before spring arrives.

Some things to start thinking about for the coming year is, saving your aluminum tabs for the Spokane Ronald McDonald House. If you are a person who sews, possibly making some blankets for both Spokane and Seattle Houses will appeal to you. They are always appreciated. If you check either website for Seattle or Spokane Ronald McDonald Houses, you can find a list of items that they are needing at this time.

Happiest of New Years to you all.

Another fun filled year behind us and a New one to fill with wonderful memories among our RV family members. In the meantime, we will gather monthly for delicious food at different restaurants.

We loved exploring various campgrounds, as you can see by our pictures. Games, hiking, bicycling, and campfires are the best. Always practicing up for "bean bag" baseball, so be ready for Cashmere!

We are always open for new camping buddies from Deer Park or the surrounding area. Please contact Ken Chartrey for more information at (509) 998-2052.

Moses Lake Sandy Sams

Submitted by Phyllis Sievert

Though it's mid-January, we have no snow in Moses Lake as of this writing. But... surely not to last.

We started our winter monthly luncheons in October at Bob's Cafe in Moses Lake. Mike and Judy Ostler hosts. A congenial place to meet. They seat us in a private room, which is really nice for holding our meetings. And the food is good. The most notable subject of this meeting was the election of officers for 2026. Our new President is Judy Ostler, succeeding our retiring President Lee Lihou, holding that position since 2016. We all thank you Lee, for your dedicated service. Mike Ostler was elected V.P, Paul Boehm remains Treasurer, and yours truly Secretary.

In November, we again met at Bob's Cafe. Mike & Judy Ostler hosts. Mike & Linda McDaniel were initiated into membership. Welcome, Mike & Linda!

We met at Bob's Cafe again in December, with Lee Lihou & yours truly hosts. Instead of having a gift exchange at this holiday gathering, we all brought canned and package food for the Warden Food Bank.

Our January meeting will be at Bob's Cafe. Our luncheons are the 2nd Wednesday of each winter month, usually at 1:30 p.m. We'd love to have you join us. Just let our president know if you're coming.

A Happy 2026 to all! Hope everyone had a safe and Happy Christmas and New Year's Eve celebration. (My little dog sure doesn't enjoy the New Year's Eve fireworks, though...)

Judy Ostler, President, she can be reached at (509) 948-9952.

Roamin' Wheels

Submitted by Nadine Dawson

Roamin' Wheels agenda for 2025 was packed full of fun and adventures. However, it went by way too fast. Our last outing was at Fidalgo Bay RV Resort in Anacortes. The weather cooperated but the nights were chilly. We went on a field trip to "Bunnies By The Bay". It was fascinating especially if you are into stuffed animals. We had a tour of how they make the stuffed animals, which are collector items. They are so soft, your grandkids or great grandkids will love them. We also had a Halloween Party, played games, visited, snacked on treats and spent a few meals in local restaurants. A wonderful finish to the season!

Our next event was our Christmas-Party. It was a delicious potluck and gift exchange. We were blessed to have Dee and Dave Cluett at our party. Due to lots of colds and some recovering from medical procedures our numbers were down, but it was still a good time!

Since we are now working on our 2026 camping season, if you, your family, friends or chapter are looking for a group to be part of or attend one of our outings, please check in with me and leave a message (see below). I will send you a copy of our travel agenda and I will also post it in the next Happy Wheels.

On a sad note, one of our active members was diagnosed with Pancreatic Cancer. This is a wakeup call to all of us, that we should pay attention too. If your bucket list is not completed, please check everything off. Only God knows how much time we have left. Enjoy what time you have to the fullest.

If you are interested in Roamin Wheels, please leave me a message. Nadine Dawson (425) 478-1614 in Bothell.

The Adventures of Me and My RV

2017 was a year of "1st's" for me. I was in my 60's and looking for something to do, so I bought a motorhome. My very first.

I found a traveling companion, Snuggle Bug, a Guinea pig, and joined What-Com's Good Sams.

My first campout with them was a short jaunt to Wenatchee River County Park then onto Cashmere for a rally. Since I had no idea where to go and how to get there, I was placed in the middle of a small caravan that was leaving from Bellingham. The plan was to go up and over the pass then stop at the 1st rest stop to regroup. Best plan ever. As I coasted into the rest stop, I was out of gas! Another 1st for me! Thank you, Eldon, for always carrying an extra gas can. That's when I knew this group would have my back.

I was kept busy for the next few days as I got used to my motor home (I had lots of questions), learned how to play beanbag baseball and got to know my fellow campers. The next stop was the Cashmere Rally. Ann, in her little red car, was my shepherd on this part of the journey and once again a good plan. The MH was acting up, and I had to pullover and stop three times. On the third time, Ann had me open the hood and we found an empty oil can that was rattling around engine. Part of the problem was solved. I finally made it to my first rally.

Lots of miles have been put on my MH since then and I've learned many things. Always check the label on what you think is toothpaste... Cortisone cream tends to make your mouth numb. Make sure your dinner plate is secure before jumping up from your chair to help someone else.

I've had many friends join me since those "first" days, having fun, living life. It's time for more adventures with my Good Sam family, making more memories.

For more information about What-Com's Good Sams, contact our fearless leader Max Archer at (360) 305-2119.

Our group was still camping in October. The early part of the month we were at Beebe Bridge Chelan PUD for our first time ever. Wonderful sites and great ice cream are available only a few miles back toward Wenatchee. Our last day we enjoyed watching a paraglider float over the lake.

Our Trail Master, Vivian Hill, took some of us with her to scope out Pearrygin Lake State Park, north of Winthrop, and Chelan State Park. Looks like we have new places to try in 2026.

Dinner at Beebe

Steamboat Rock State Park

Near the end of October, we returned to fabulous Steamboat Rock State Park. We have camped there at least once, year after year.

This gave us a chance to use up our off-season senior passes for 2025/26. Great deal using the passes if you are able to camp during October through April. There are always lots of sites in October so don't panic if you can't reserve any sites until your pass returns in the mail.

We finished off our camping season with a luncheon at the Spangle Harvester Restaurant where we voted to make donations to Scraps, an Spokane animal as well as Cheney and Medical Lake food banks. Not all members continue to actively camp, so it is fun to catch up at the lunch.

Interested in learning more about our group? Please email President Nancy Curry at currynancyj@gmail.com or Trail Master Vivian Hill at vivhill88@gmail.com.

Valley Good Sam Drifters

Submitted by Brian Gubser

Well, WINTER is here. The weather is colder, but the days are getting longer!

In early November, the Drifters had an early Thanksgiving get-together at The Waterfront At Potlatch RV Resort on Hood Canal. We had a large turkey with various side dishes brought by the Drifters.

In December the Drifters enjoyed a nice “Christmas” luncheon at the Meridian Valley Country Club.

Most people came in “festive attire” to celebrate the holidays. Christmas Cards and trinkets were distributed.

We next had a lunch at BJ’s Restaurant & Brewhouse at South Center in January. Much was discussed about 2026 campout activities.

On December 20th, several members enjoyed an “Elvis” Christmas Show by Danny Vernon at Green River College.

Our next planned campout is in March at the Dosewallips State Park near Brinnon, WA. on Hood Canal.

As you can read above, our group tends to cover most of Western Washington. We also like to have one night out to a local restaurant for dinner.

We invite anyone interested in joining our group, or just join us on a trip, please contact us via our Facebook page “Good Sam Valley Drifters”, or phone our president: Mary Grinnell at (206) 799-1077.

May you all have very happy “RV Drifting”!

Driving the Happy Wheels News-bus!

Barbara Erickson, Happy Wheels Editor

I hope you had a wonderful December holiday season, and these past few sunny, blue sky January days have you daydreaming about where you might travel this coming year. For me, the anticipation is already building as I look forward to attending – first and foremost – our Washington State rallies in Lynden (from April 29 to May 3) and later this summer in Cashmere (from September 16 – 20). These gatherings are always a highlight, offering a chance to reconnect with familiar faces and enjoy the camaraderie of our community.

There is something special about attending the rallies in Lynden and Cashmere. Not only do they provide an opportunity to visit with friends, but they also allow for a bit of sightseeing and exploration. Every year I find something new and interesting in the area, and I'm eager to see what I can find that's new and exciting this time.

This year, we will also welcome our new president, Royce Poynter, as she takes charge in Lynden. It will be her first State Rally as president, and I encourage everyone to offer their support and help as she steps into this important role. Chapter presidents, don't forget the President's Meeting on Friday and everyone is invited to the General Meeting on Saturday. Check the agenda when you arrive in Lynden!

And speaking of Presidents. The next few sentences pertain to the leadership of Dave and Dee Cluett. They have given us six years of their lives being presidents for this group. I'm sure they are enjoying their new volunteer work... Thank you for the help with the newsletter and all you gave and will continue to give to the Washington State Good Sams! You all did a heroic job! But it will be good to see you relaxing a bit more and enjoying the rallies as we all do. Thank you for a job well done!

I always look forward to reading your articles, as they share new and interesting places to go RVing – destinations in Washington and great out-of-state locations. Traveling to new destinations is always a fun adventure! This year we will be staying closer to home. I think perhaps a knee replacement is on the horizon for one of us and I'm not quite sure how that will affect being on the road. I will live and travel vicariously through your articles... so keep those articles coming! I will be asking for articles for the May issue on April 1 (not an April Fool's joke) with an April 15 deadline.

And wearing my secretary hat, Thank You to each chapter and the Members-at-Large for the timely return of your membership dues and your renewals with this Club! We wouldn't be here if not for you and Royce.

Last but not least, if anyone is interested in doing a little proofreading four times a year, please let me know. My contact information is on Page 2. Saying thank you in advance!
