NOVEMBER 2026

VOLUME 42
NUMBER 4

From the PRESIDENT...

Hello everyone,

Hope you are appreciating the beauty of fall in the Pacific Northwest. I miss not being able to go camping since I don't have a working motorhome. As many of you know, my motorhome decided it didn't want to go over Blewett Pass so it died just outside of Cle Elum. Luckily, I was able to pull over onto the just-wide-enough-shoulder before it quit completely. It was packed with everything we needed for the Cashmere rally, so we loaded up the tow car and waited for the tow truck.

The motorhome was towed to Ellensburg, and Jerry and I were fortunate to find a condo to rent for the week. We made two trips back and forth from Ellensburg to Cashmere to retrieve rally supplies plus our personal items that we needed for our condo stay. It was a hassle, but as usual, everything worked out.

I want to thank the State Team and club members who stepped in to help. When our wagon master, Al Lamoureux, was unable to attend, Ed Nelson took over and did an excellent job. Barbara Erickson and Robin Leaden were also invaluable, supporting me while I dealt with the motorhome and helping the rally run smoothly. Dave and Dee Cluett's presence was greatly appreciated as well.

At the Presidents' meeting on Friday, chapter vests were discussed as well as the State Team "uniforms". We had a lively discussion about wearing other clothing with the chapter's name identifying them as members of a RV group versus vests. There was agreement that wearing these items will advertise the chapter and possibly attract new members. We also want to encourage everyone to wear their name tags.

Chapter presidents, please send your updated rosters to Barbara Erickson by December 1, 2026.

We hope to see you in Lynden, May 12–16, 2027.

Royce Poynter

Unfortunately, the representative from Dogs for Better Lives had emergency surgery and could not be with us. This did not stop the Pet Parade! It was well attended by owners, their pets and all who love animals! The judges had a difficult time picking the winner of each category; congratultions to all the winners!

Waggiest Tail - Dream Catcher belonging to Kelly and Sherri Rhoads of Lilac City Sams.

Most Unusual - Molly belonging to Bobby Nigh and Brian Gubser of Valley Drifters.

Best Dressed - Stripe the Bad Gremlin belonging to Helen Kluck of Whatcom Sams.

These were all wonderful dogs, but I would like to remind everyone that ALL PETS are welcome!

Hello everyone!

We had another successful year for Fisher House at our state meeting. We delivered the donations and beautiful blankets, which received many compliments. Looks like we need to get more people interested in RVing.

We also found my husband's mising wallet folded inside the camp chair he sat in at Saturday night's campfire. Once again, thank you all for your generous donations to Fisher House.

We hope to see you all at the Lynden Rally. Until then, have a great camping time.

I want to thank everyone for the monetary donations that were received at the Cashmere rally. The total collected was divided between the Spokane and Seattle Ronald McDonald Houses.

Thank you for the aluminum can tabs that were given to the Spokane House. Blankets that were donated were delivered to the Seattle House.

I encourage anyone who is interested in what the Ronald McDonald Houses provide for the families that use them to call and arrange for a tour. It is an amazing place that provides a great deal of support for families when they have a sick child.

WHAT'S HAPPENING WITH OUR CHAPTERS

Moses Lake Sandy Sams
Submitted by Phyllis Sievert

The summer has passed all too quickly... and with it, our campouts.

We had our August outing at Peach Beach RV Resort, near Goldendale, on the lower Columbia River. We visited a wildlife farm, to see the zebras, camels, gazelles, giraffes, and I'm not sure what other animals were there. It was quite amazing, all free to roam in the big, fenced-off pastures. From there, we went to take a look at the 1923 Baldwin steam locomotive on display at Wishram, WA. One could not imagine the size of this "monster" without seeing it; and to imagine the technology needed to build it, especially in that era. Very impressive.

Thursday, we went to the Maryhill Stonehenge Memorial, which we have visited on a previous campout. This also is an amazing piece of architecture. And, of course, we stopped at a couple fruit stands.

Wednesday night, we were pleasantly surprised at our potluck dinner with a visit by my stepson Brian Vining & wife Terri, from Buckley, WA, arriving unannounced in their big 5th wheel. So nice to have them join us on our campout.

We finished up our camping season at the Cashmere Good Sam Rally in September. Always enjoy those rallies, even though we only had three RV's attending from our chapter.

Now, starting this month (October), we will have our monthly luncheons, where we will have the pleasure of seeing our social members. Our lunch this month will be at ENZO's, Arlene Bendickson, host.

About our club, happy to have you contact our president, Judy Ostler at (509) 948-9952.

What-Com Sams
Submitted by Gary Reasoner

The 2026 summer camping season flew by for our What-Com's Good Sam members. In July we visited one of our favorite campgrounds, Howard Miller Steelhead Park set alongside the Skagit River at Rockport, WA. This is a wonderful location for bicycling with nearby access to the North Cascades Trail in Concrete or the Whitehorse Trail just south of Darrington. Also the Saulk Mountain Trail with terrific views of the river below is available for our hikers. We enjoyed afternoon bean bag baseball games and wonderful potlucks.

In August we gathered at the Silver Lake Red Mountain Campground. This campground is set in a very wooded area next to a large open field with trails that serve this campground's horse camp. Silver Lake is a county park with many trails available for walking, a lakefront beach area with fishing docks and boat rentals.

We closed out camping season in September at the Sedro Woolley City Park, a small quiet riverside campground. Nearby trails are great for walking or bicycling and there is easy access to the North Cascade Trail. One of our group's favorite activities is going to breakfast at Joy's Bakery in downtown Sedro Woolley.

October we start our "off season" schedule with lunch meetings at area restaurants. No matter where we meet we always enjoy spending time together and are always happy to welcome new friends. We invite anyone interested in our chapter activities to contact Max Archer, our president at (360) 305-2119.

Valley Good Sam Drifters
Submitted by Brian Gubser

Well, FALL is here and the leaves are turning colorful. The weather is getting colder and wetter.

The Good Sam Samboree at Cashmere was enjoyed by all. Our new Washington State Good Sams President did a wonderful job. We did miss our Canadian friends this year.

In July, several "Drifters" made it to the Navy Getaways Pacific Beach RV park. We played several outdoor games and cards under the covered area. We also went to a local restaurant.

November 11-16, we are planning an early "Turkey Day" at the "Waterfront at Potlatch" Resort on Hood Canal. They have motel rooms as well as several RV spots with full hookups. If interested in joining us, please call Bobby Nigh @ (253) 569-1410 for more information.

As you can read above, our group tends to cover most of Western Washington. We also like to have one night out to a local restaurant for dinner.

We invite anyone interested in joining our group, or just join us on a trip, please contact us via our Facebook page "Good Sam Valley Drifters", or phone our president: Mary Grinnell @ (206) 799-1077.

May you all have great "RV Drifting"!

Lilac City Sams
Submitted by McReynolds/Gilbert

July found us at the beautiful Sun Lakes Resort near Coulee City. Green grass and shade trees cover the spacious campground. Beach access, watercraft rentals, a camp store, and even a snack-bar completed the ammenities. We enjoyed spending time and sharing meals with friends. A couple of our members had issues with their rigs; one needed new batteries, another required serious help replacing an axel, wheels, brake , and tires on their trailer. However, all is well that ends well and were able to leave on time to return home.

The August campout was canceled due to hazardous air quality in the area.

In September, we joined other Good Samers from around the state at the rally in Cashmere. Food, friends, and fellowship were enjoyed by all. The weather cooperated, the entertainment was good, and everyone had a great time.

Our October campout in Goldendale was canceled. The state observatory closed early for the year, thus eliminating the incentive to travel that distance. Therefore, more than half our members canceled, leaving only three rigs. It was finally determined to simply cancel the whole thing. Instead, we remained in Spokane and enjoyed dinner at the Black Angus.

Section 8
Submitted by Barbara Erickson

This year Section 8 decided to rendezvous before the Cashmere Rally at Wenatchee River County Park. We had a very enjoyable time. We arrived on Saturday, September 12 and left for our short drive to Cashmere on Tuesday, September 15. Only three members, Eric Jackson, Max and Ann Archer and Steve and Barbara Erickson, were able to come this time and enjoy the beauty of Chelan County with no smoke!

We had dinner at everyone's favorite – the Hot Rod Café! visited the Pybus Public Market, and had a shared pot-luck dinner with surprise company! Dave and Dee stopped by and we had to twist their arms to join us for a dinner of grilled bratwurst on buns, salads and ice cream!

I did my usual walk-about on the road behind the park. As you leave the park and cross the bridge, the Post Office is "just around the corner", with pear orchards and a few apple orchards nearby. The sun beats down on you, but it is nice walk with very interesting sights…

Roy, our president, and Mary Grinnell were off visiting France and Spain but would love to hear from you if you are interested in joining or just interested in traveling with us. Contact Roy at grinnell.roy@gmail.com.

Good Guy Sams
Submitted by Robin Leaden

Hi again, we are home from the Cashmere Rally and glad to get back to typical Western Washington weather (rain, then sun, then clouds, etc.) Most all the current Good Guys made it to the Rally, one couple was on an European trip and couldn't make it, and one member drove all the way over the mountains to drop off the donations from his other chapter.

We also were happy to see one of the original couples from the group at the Rally, the Raddyshes were a welcome sight.

We had a good time catching up with members from other chapters. Our dog Mitzi got to see all her old friends and met some new ones too. She did not participate in the Pet Parade, but she enjoyed watching it, and she also managed to slip into an adjoining rig and meet Gloria, the cat.

Our members belong to various other Chapters as well as Good Guys, and those Chapters are getting ready for final campouts and then Holiday parties. It seems like every year we can hardly wait to get started RVing, and then suddenly the year is winding down.

Until we see you all again next year (at Lynden and/or Cashmere), stay safe and have fun!

For more information about joining Good Guys, contact John Leaden at jbleaden@netscape.net or Robin Leaden at robinleaden@netscape.net.

Reminder: As you prepare for your trip, please consider buying a few extra items for the local food bank.

Donations of *non-perishable* items that *have not expired* are welcome.

Thank you for your support.

Roamin' Wheels
Submitted by Nadine Dawson

Roamin Wheels 2026 camping season has been fun so far. We have been blessed with a new member, Jo Boyett. She joined us in Cashmere and has attended our meeting and a birthday party for another member. Thanks, Jo, for joining our Chapter.

July, we went to La Conner Marina and RV Park with 8 rigs, and one couple in a hotel. This was a great place. If you want a ride to La Conner, call the office and they provide a golf cart shuttle service to downtown. We enjoyed many of the local restaurants and spent much of our free time at the shops in town. We had some great sites that had enough open space for us to put out tables and bring chairs for social hour, games and meals. Royce and Gerry joined us for part of this outing. It was nice to get to know them.

August, we were at Rockport's Howard Miller Steelhead Park with 5 rigs, one couple in a cabin, and one stayed at their river lot. We spent one afternoon at that couple's river lot, loved sitting overlooking the river. The next day we went on the Diablo Lake boat tour put on by Seattle City Light and North Cascades Institute. It was breathtaking and the water was calm, so perfect. We came back to camp for a tasty potluck dinner.

Cashmere was a fun rally with lots of activities and games. We enjoyed seeing Good Sam members who we only see twice a year. The entertainment was good, playing songs we all love. We even fit in seeing some local attractions.

If you would like to join us, please leave me a message or text me at (425) 478-1614 Bothell, WA.

Cariboo Trail Good Sams
Submitted by Richard Schmit

Our summer outings continued for the Caribou Trails Good Sams with a planned trip to Twin Lakes, Inchelium, WA. The campout had to be redirected to River Bend RV Park, Twisp, WA due to the Mobrite wildfire. The theme of "Christmas in July" was carried over to the beautiful campground on the Methow River. Our hosts were Les McKay and Richard Schmit of Omak WA.

Friday night was enjoyed with dinner out at the 1908 BBQ & Bourbon restaurant in downtown Twisp. Scrumptious BBQ and conviviality enjoyed by all, followed by conversation around a campfire back at the park. Often the most enjoyable time of our campouts.

Saturday morning brought a visit to the Twisp's Farmer's Market. Bountifully full of local produce of fruits and vegetables, along with locally baked goods, arts and crafts by talented artists. Many delectable and tangible treasures were found that gorgeous morning in the Methow.

The best Christmas decoration contest was won by Larry Judd's interpretation of a burnt Christmas tree. A sad comment of the wildfires around our county. That was my interpretation of his prize-winning creation anyway.

Saturday evening, we celebrated "Christmas" turkey dinner prepared by our hosts. Attendees provided the sides. Christmas bingo was played after dinner. Winners chose their prize gifts of Holiday themed boxes of Kleenex that were under the Christmas tree along with their "White Elephant" gifts for the gift exchange. A Holiday concert was given by the host's sister Mary Barboza. She had fellow campers to the park literally dancing in the streets. What an evening!

The month of August took us to Black's Beach in Republic, WA. It was a laid back and quiet weekend but still very enjoyable. Beautiful weather during the day and night with stars filled with clear skies. Dinner was enjoyed at the Knotty Pine Restaurant and Lounge in Republic, WA.

September found our campers at Wenatchee River County Park at Monitor, WA. Our hosts were Ron and Karen Laymance and Andy and Debbie Lampe did a bang-up job that weekend.

On Friday and Saturday mornings our hosts provided us with homemade baked goods along with coffee and tea.

The campers spent Friday afternoon at Monitor's Hot Rod Café for lunch. The fifties themed restaurant provided us with burgers, fries, sodas, and malts. Nostalgic music played in the background reminds us of our youth. Has it been that long ago? After lunching our group took a healthy walk across the overpass above the highway to our campsite.

Saturday afternoon our hosts provided mock cocktails and snacks while officiating over mind teaser games. The business meeting followed. A pot roast dinner was provided by our hosts followed by the business meeting. Of course, dinner was delicious and much appreciated.

We will be celebrating Halloween with a costume party at the Okanogan Grange from 12 noon to 6pm. We will be enjoying a potluck of party foods and desserts. In addition, games and music will also be distractions and entertainment for all. Members, their friends and family will be in attendance.

Deer Park White Tail Sams
Submitted by Kerri Funk

We have had an awesome summer and as usual, goes by way too fast! In August we had a great campout in Wallace, Idaho with much to see and do in that little town. We toured the mine there and our guide was so informative as he worked there back in the day. If you ever get the chance to do it, you will not be disappointed! A few brave souls also did the Hiawatha Bike Trail, while others just rode bikes, went on the trails with their side by side, or thrifting around town. We also bumped into fellow Good Sam members from another group who joined us for our Wednesday potluck and meeting.

September, we had a blast at the Cashmere Rally as usual! Our group was in charge of coming up with and the putting together the theme for this year's rally. Our group was smaller this year, but we were mighty in coming along side each other and getting it set up. Such teamwork and we had a blast doing it! Some of us spent the afternoon going to Leavenworth which is always fun.

October brought us to our final campout this year at Waitts Lake RV Resort. We couldn't have asked for a more beautiful fall sunny week! A good majority of us have bikes so we biked around the lake. We also have been having fun dabbling in geocaching at our campouts which is a lot of fun and challenging at times.

As you can see, we love our group and are always looking for new places and different things to do. We will continue our luncheons once a month through the rest of fall and into our winter months. We are the Deer Park White Tails, however, a few of us are from Spokane Valley and even one from Coeur d'Alene, Idaho. We welcome new members with open arms! If interested contact our President Ken Chartrey for more information at (509) 998-2052.

Sams of Puget Sound
Submitted by Barbara Erickson

July found us camping at Kenanna RV Resort in Grayland. We had great hopes of going clam digging and enjoying fresh off the beach clams… but the nearby beach was closed to the public. The clams survived for another day. This was not the only downer. It rained the entire time plus the slips we were assigned were 30amp and most of us had 50amp rigs, so it got pretty cold without any heat! The bright spot for this outing being we had a great dinners at Local Bar & Grill and the Shoalwater Bay Casino… where some of us took advantage of being at a casino doing casino things.

Ocean City RV Resort welcomed us in August. We had a great turnout and the weather cooperated! We had one mishap, a reservation got lost in the etherlands and the manager juggled a couple rigs around, so we all had a slip to call home! We had a variety of great dining opportunities at Copalis Cove Pub for breakfast, Galway Bay Irish Pub for lunch, a potluck breakfast and then dinner at the Green Lantern Tavern. Some of the group went to Seabrook , WA to listen to a country western concert on the green! There was a fire ban, so we had propane firepits to sit around each evening!

September, we attended the State's Cashmere Rally – where Jasper and Snickers represented us in the Pet Parade. We stayed in our assigned slips for our "roll-on" campout. Everyone relaxed and enjoyed the evening gatherings and had the option to visit the nearby farms to purchase apples and peaches.

As the camping season slows down, we go back to our lunch meetings. November's lunch will be at the Lakewood Black Bear Diner and then in December, our Christmas Party. If you are interested in joining our chapter or just RVing with us, please contact President Ken Stevens at (253)318-6094 or email at kenjanna@msn.com

CASHMERE RALLY

September 15 - 20, 2026

Nadine Dawson, Article Contributor

We began our "Harvest Time" outing with beautiful weather. The early day was Tuesday with an exceptional early turn out, some folks even came on Monday. This was the outing of rig failures. The two mishaps were Al and Ruth Lamoureux's rig that had a radiator problem and couldn't get parts in time. The other was Royce Poynter's rig that lost power on the way to Cashmere and had to be towed to a shop in Ellensburg ending up with Jerry and her making multiple trips back and forth to Cashmere to get all the necessities needed from the motorhome for the success of our outing.

Wednesday started with setup and registration. Dave led the Cribbage Tournament with Phyllis Sievert from Moses Lake Sandy Sams winning 1st place with 260 points; 2nd place was Ken Stevens from Sams of Puget Sound with 246 points and 3rd place was Ken Chartrey from Deer Park White Tail Sams with 219 points. That evening we had the Opening Ceremonies with the Military Sams doing an amazing performance. We ended the day with Card Bingo put on by the Deer Park White Tail's with many nice prizes.

Thursday began with a delicious $5 breakfast of pancakes, eggs, and sausage, provided by the Daffodil Ramblers. Thank you for the tasty, filling meal!

Royce held a First Timers meeting just before the Pet Parade, where mostly small dogs showed off their outfits and pranced before the judges. Dream Catcher, owned by Kelly and Sherri Rhoads of Lilac City Sams, won "Waggiest Tail." Molly, owned by Bobby Nigh and Brian Gubser of Valley Drifters, won "Most Unusual." Jasper owned by Diane Julum, Sams of Puget Sound, was judged as the "Best Behaved", and Stripe the Bad Gremlin, owned by Helen Kluck of Whatcom Sams, won "Best Dressed." Congratulations!

Dee and Dave entertained us with a fast-moving game of Mexican Train. And the winners were, 1st place Pam Raddysh with a score of 85; 2nd place Jim King, Sams of Puget Sound with a score of 92 and 3rd place Sara Reynolds, Lilac City Sams with a score of 97. Congratulations! It is always a hit! Thursday's dinner was our Complimentary Scrumptious Dinner of turkey, mashed potatoes, dressing, gravy, green salad, rolls with pie for dessert. People mentioned how succulent it was! Compliments to the Chefs! We ended the day with a talented "Just Plain Darin" from Spokane entertaining us with his voice and guitar. My favorite songs were "Sweet Carolina" and John Denver's "Country Roads". Everyone had their own favorites, and he took requests, doing a great job of singing them. He was very good, in my opinion.

Friday, we started the day with donuts served by the State Team. Royce held the President's Meeting. The one game

Cashmere, continued

we were all excited to participate in was Ed and Dave's "BEAN BAG BASEBALL". DUN-DUN-DUN! The winners were the "Bulls" AKA Deer Park White Tail Sams! I believe, they are now trying to schedule with the Seattle Mariners! Well done!

After dinner, we had the "Parade of Chapter Flags". We finished the evening off with Trivia. LoKeCo Sams did a good job getting us to think. The winners were a group called the "Know Nothing" not living up to their name as they knew a lot! 2nd place went to the group called the "Home Runners". It was definitely a challenging, fun evening. Thanks to LoKeCo for coming up with the commendable questions.

Saturday, Cheney Good Sams served us donuts before the General Meeting. Royce led us in an informative meeting and the minutes for the meeting will be coming out soon. A seminar followed the meeting about "Everything You Want to Know About Volunteering in State and National Parks" presented by Dennis and JoLynne Roberts. They are a wonderful resource for people to contact if they want to jump into that volunteering position. After lunch was the Craft/Flea Market Sale.

A Pinochle Tournament led by Dee and Dave followed the craft sale. There was a good turnout for this tournament. 1st place went to Ken Kirkman from LoKeCo with 3530 points; 2nd went to Charlet Dalbec from Valley Good Sam Drifters with 3390 points; and 3rd place, Dan Humphrey, Member At Large, with 2860 points. We completed the day with Announcements, Awards, Raffles and Charity Donations. Following that was the entertainer, Will Friend from Kirkland. He entertained with a Keyboard and his voice. He also did many requests and was an exceptional player and singer! It was a relaxing evening.

Sunday, Donuts were served by Deer Park White Tail Sams. Military Sams finished our rally with the Flag Closing Ceremony and Fellowship Offering. We ended with our wonderful Door Prizes and "Let's get rolling!" Thanks to Eric for announcing that!
